MEMORANDUM

TO: The Honorary Directors of CELRF and
The Directors of the Canadian Environmental Law Association

RE: White Owl Conservation Award

December 12th, 1974.

As some of you may have read, CELRF has just won the 1974 White Owl Conservation Award. The \$10,000.00 grant is given annually to the Canadian environmental group deemed to have contributed most toward the preservation of the environment.

The Hon. Madame Jeanne Sauve made the award to Gar Mahood, the Executive Director of the Foundation and the related Canadian Environmental Law Association.

The Award Committee specifically cited CELRF/CELA's book: Environment On Trial: A Citizen's Guide to Ontario Environmental Law, (praised by both the environmental movement and the law journals) and CELA's law reform work in Ontario. CELA hopes to encourage the introduction of environmental impact legislation in Ontario which would serve as a model for other Canadian jurisdictions.
